

National Conference on Recent Advances in Science and Technology

Conference date: 15th - 17th May, 2019

Venue: NEDFi House, NEDFi Convention Center, G. S. Road, Dispur, Guwahati, Assam

Poster Presentation Guidelines for NCRAST 2019

The following guidelines should be maintained to prepare the poster for NCRAST 2019;

- ✚ Each poster board will indicate the poster number in upper right or left corner. Authors are responsible for mounting their posters of their presentation on or before 10.00 AM and must remain on display upto 4:30 PM on the assigned presentation day. All posters must be removed by 5:00 PM on the day of presentation.
- ✚ All illustrations, charts, etc., to be posted should be prepared in advance as materials for these purposes will not be available at the conference site. Organizing committee will provide a reasonable supply of push pins, but we suggest authors bring it if possible. The standard poster size should be maximum A0 (Width x Height: 841 x 1189 mm).
- ✚ Material should be displayed in logical sequence (title with authors name and affiliation, abstract, introduction, methodology/development, result and discussion, conclusion, acknowledgment, references).
- ✚ Each poster must include text in a large enough font (Min. 20-point font) to be read easily by attendees from a distance of 4 to 5 feet or more. Lettering on illustrations should be large and legible. Photographs should be a minimum of 5 x 7 inches.
- ✚ Avoid overcrowding of figures and cramming too many numbers into tables. Legends and titles should accompany all figures, tables, photographs, etc. in order to allow their immediate identification by the viewers.
- ✚ It is advised to print the poster in colours.

(Bharat Kakati)

Convener, NCRAST 2019
